IM0502 Would you favor or oppose a deal between Congress and President Trump that gives undocumented immigrants brought here by
their parents work permits and a path to citizenship in exchange for increasing merit preference over preference for

IM0503 In your view is it more important to keep in place the current immigration system that gives preference to legal
migrants that have a relative in the United States or should we change to a merit-based system that gives
preference to legal migrants based on skill and educational attainment?
